4. Patients will be involved in their own care and be given the appropriate choices in who, where and when their care is provided this will be done by educating and informing patients via NHS leaflets, through our website, in-house practice monitor which informs them of the services provided, which include but are not necessarily limited to, disease prevention, health promotion, management of acute and chronic illness, routine immunisation and travel health, family planning, cervical smears ante-natal and post-natal care.
